Mr. John McCone, Chief
Central Intelligence Agency
Washington, D.C.

Dear Mr. McCone:

A CWC adherent in the South has sent us a letter he received from one member of the Senate Foreign Relations Committee concerning the status of the Freedom Commission Bill.

The letter suggests that one reason for the Committee's delay of hearings on that bill is the fact that it has not received a report of the CIA's views on that bill.

Can you give us any information on this?

Sincerely,

A handwritten signature in cursive script, appearing to read 'Henry Mayers'.
